

# Build a Workforce that Thrives.

## The Challenge

Today's workforce faces unprecedented disruption.

**45% of employees**  
are declining or just surviving at work

**Disengagement and turnover**  
are driving unnecessary cost and instability

**Leadership gaps**  
are widening at every level

## The Potential

When people, leadership, and systems are aligned, better work becomes the norm, moving from reactive firefighting to continuous improvement. People can do their best work and the business gets better results.

**50% ↓ Turnover  
in Year One**

**60% Annual  
Cost Savings**

**+65% Company  
Thrive Score**

**7.6x ROI  
in Year One**

## The Solution: NxtPath™

A practical workplace improvement platform that guides leaders and teams to reach their goals by connecting people, leadership, and the systems that shape the work.

### What you Get

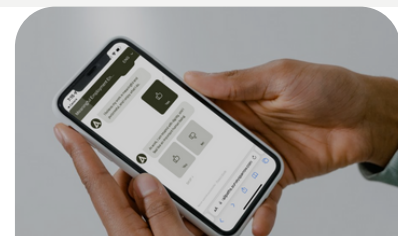

- ✓ **Workforce Visibility:**  
Real-time insights into team needs, grounded in daily work
