

Build a Workforce that Thrives.

Today's workplace needs a practical path to better work.

The Solution: NxtPath™

A workplace improvement platform that helps organizations stabilize their workforce, strengthen leaders, and create predictable performance, without adding complexity.

Learn • Participate • Advance

Unlike traditional methods, NxtPath™ connects people, leadership, and systems -- turning improvement into a daily practice, not a one-time event.

Guided Improvement Paths

Role-based paths that help team members and leaders learn, contribute, and improve the work

My Path • Team Members

My Leader Path • Leaders

Built for Today's Workforce

Who It's For

- Operations-led organizations with **frontline teams**
- **Team members** who want clear paths for growth
- **Leaders** who need practical tools to guide and align teams
- **Ops and HR leaders** seeking visibility without bureaucracy

Comprehensive Content

NxtPath™ offers a connected menu of learning and options to add custom content.

Personal Growth

Process Excellence

Meaningful Employment Environments™

Resilient Supply Chains

Why It Works

- **Interactive by Design** - 15-minute digital courses, micro-learnings, built to drive action.
- **Flexible & Scalable** - English & Spanish (more languages available), with custom content options.
- **Seamlessly Integrated** - Connects with your HRIS via APIs, designed to be simple, scalable, and interoperable.
- **Data-Connected Ecosystem** - Learning data powers real-time insights and measurable results.
